## HOW IT WORKS

1

40+ nonprofits lease office space for 1/2 market-rate rent, gaining access to high-quality office space and synergy with other ministries.

2

The money our nonprofits save in operational expenses is poured back into the mission field. Over \$2,000,000 is saved each year.

3

The gospel is shared in North Texas and around the world, impacting over six million lives each year.
