### Save the Date:

Join us on Thursday, September 20 for The Hope Center Critical Conversations Speaker Series focusing on how Christians are to respond to the trials of our culture with a biblical perspective! Part two will feature Os Guinness, Senior Fellow at the Oxford Centre for Christian Apologetics, worldwide speaker, and advocate of religious freedom. Speaking on his upcoming book *Last Call for Liberty*, Os will focus on the hostility and incivility of our nation, and how "America's genius for freedom has become its greatest threat." You will also have the opportunity to purchase his early-released book exclusively at this event. Reserve your spot at [www.thehopecenter.org/criticalconversations](http://www.thehopecenter.org/criticalconversations)

### Passport to Purpose:

Have you ever wondered what is next for your life? What are your gifts and how can you use them for the Kingdom? Unlock your purpose by participating in our first-ever adult internship program for women! This five-week program will help you gain a better understanding of the gifts and talents God uniquely gave you. Take an interactive journey and experience the 40+ nonprofits in The Hope Center. ### It's Demo Day!

The Hope Center has been under construction all summer remodeling two spaces: The Loft, a high-class free event space for our tenants, and a new office for The Hope Center team, allowing more room for existing nonprofits to expand. We just moved into our new space and are grateful for Cristacurva, Trulite, and Haley-Greer Inc. for donating the glass and hardware to make these rooms possible. Come see the new space in person! Schedule a tour with Sue Bailey at [sbailey@thehopecenter.org](mailto:sbailey@thehopecenter.org)

**“Every good and perfect gift is from above, coming down from the Father of heavenly lights.” James 1:17**

Friends - It has already been a transformative 2018 as we strengthen our 40+ nonprofits. Through your support, we have been able to build another meeting room with secure international conferencing capabilities, create additional tenant space, and make significant modifications for several growing ministries. With this, we were able to add yet another ministry, Finishing Well, to our roster of tenant nonprofits. We are grateful to have received major donations from glass and construction companies, individual donors, and foundations to make this significant impact.

Board Member, Carl Hefton, and Stan Keith with O.S. Hawkins after the Pastor's Appreciation Lunch

Physical transformations are not the only thing happening. Part 1 of our Critical Conversations Speaker Series was powerful as Michele Rigby Assad and Tom Doyle related to over 200 guests their challenging times of service in Iraq. At our Pastor's Appreciation Lunch hosted by GuideStone, Dr. O.S. Hawkins encouraged over 160 local pastors about how to have a greater impact among those God has entrusted to them. The Lord is moving mightily through our nonprofits, and you are making this happen!

Come see these amazing gifts the Lord has provided to the Center since your last visit! Our next Critical Conversations event with Os Guinness is Thursday, September 20, and space is filling up fast! Os will speak on a timely topic: the hostility of our nation and how we, as Christians, can respond with love and a biblical perspective. And our own Lt. Col. (Ret.) Allen West will lead the Q&A session. You won't want to miss this conversation and the chance to buy Os' book. Finally, we are taking a group on a tour of Israel led by our friends JoAnn and Tom Doyle March 26-April 6, 2019. We hope you will join us on this exclusive trip to the Holy Land. View more information about the trip here: <https://www.morningstartours.com/thc1039>

As you can see, the Lord has provided us with so many gifts this year. Thank you for your generosity of financial support and prayer that has made this possible. Please continue praying for the Center and come see what the Lord has done!

P. Stan Keith
