

THE HOPE CENTER
HOPE happens

SPRING 2022

A Letter from the CEO

My incredible journey at The Hope Center began on March 1st of this year. Experiencing firsthand the amazing people and ministry that unfolds here is remarkable! It is a privilege and joy to see what God is up to as I listen to story after story of life-changing engagements.

One of the most recent stories unfolded at our Hope for Eastern Europe event on April 12th. We partnered together to raise awareness, pray, and collect funds for the current crisis in Eastern Europe. The event highlighted the work of nine Ministry Partners of The Hope Center making a dramatic difference in the hearts of many. We also love hosting the National Day of Prayer each year! This year did not disappoint as the Men of Nehemiah opened with inspiring worship and a strong rendition of God Bless America. Chrissie Dunham, the founder of The Party Table, blessed us with a great message of gratitude and wonderful friends of The Hope Center led us in prayer for our county. Make plans to join us on May 4th, 2023, as we come together once again in worship and prayer.

Moving forward into the summer, our team will be working diligently on our vision and next steps. We will be looking to build pathways to support the local Church, as well as reach the spiritually curious and make a difference in our local and global communities. The opportunities to influence collaboration and awareness are endless. Please be praying for this time as we move forward together.

Your generosity in giving continues to fuel what we do here and provides us with a means to extend our message of HOPE well beyond our walls. Thank you for your support and encouragement! The Hope Center is certainly a special place. It is difficult to comprehend the magnitude of what the Lord is doing here without experiencing it firsthand. I want to personally invite you to stop by for a bite to eat at our delicious café or visit us online to see for yourself how the Spirit is working through our fifty-seven Ministry Partners. Once again, thank you for all that you do to further the mission of The Hope Center, we hope to see you soon!

God bless,

Mike Wiltz
